

Abbey Christmas Trail Race Results

Approx 5.4 Miles

Monday 28th December 2015

Conditions: A cloudy but dry day, thankfully the floods had subsided otherwise we'd have had water over our heads!

Location: The Abbey Inn, Bramley, Leeds

Team / Club Statistics - a bit of fun. 10 clubs represented.

Two or more runners from each club to make a team

Harrogate Harriers were the quickest overall with a team of two geezers. The combine purple might of the girls from Kirkstall Harriers made the fastest all female team. North Leeds Fell Runners came prepared for floods of biblical proportions running two by two (2 ladies, 2 gents) in the quickest mixed team.

Roundhay Runners out foxed the rest with the most runners at 5 altogether.

Thanks to everyone for running whether in clubs or not.
