

Carlton Canter Trail Race Results

Approx 5 Miles

Wednesday 25th May 2016

Conditions: A soggy start to the summer series, good going up the Chevin steps.

Location: The Royalty Inn, Otley Chevin.

Team / Club Statistics - a bit of fun. 19 clubs represented.

Two or more runners from each club to make a team

Harrogate Harriers were the quickest overall with a pair of men. North Leeds Fell Runners must have loved the steps as they were quickest female team. Meanwhile, Valley Striders were the fastest mixed team on average.

Welcome to the new teams to Country Trail Races, Airecentre Pacers, Bramley Breezers, David Lloyds, and Farsley Flyers.

Farsley & Roundhay Runners brought the most participants - but there was a great mix of people having fun in the wet - see you all at Pudsey for the next race!
