

Pudsey Pelt Trail Race Results

Approx 4.9 Miles

Wednesday 22nd June 2016

Conditions: Cloudy and humid, there'd been quite a bit of rain in the preceding week that had made the nettles and hills grow.

Location: The Bankhouse Inn, Pudsey, Leeds

Team / Club Statistics - a bit of fun. 16 clubs represented.

Two or more runners from each club to make a team

Two men from Horsforth Fellandale were the quickest team overall. The fastest all female team was another pair, this time from York Knavesmire. Farsley Flyers flew around the course with the quickest mixed team.

There were some big turnouts on the night, but none as big as Kirkstall Harriers with a heavenly 17 runners.
