

Resolution Rush 2 Trail Race Results

Approx 5.7 Miles

Sunday 4th January 2015

Conditions: Glorious, chilly, dry and sunny. Icy underfoot with patchy mud and urban sections.

Location: Bay Horse, Meanwood, Leeds

Team / Club Statistics - a bit of fun. 7 clubs represented.

Two or more runners from each club to make a team

Abbey Runners were the quickest overall with a mixed team. Pudsey Runners were the fastest all female team. The girls were out in force today as there weren't any all male teams.

Valley Striders brought the most runners, so cumulatively they had the most fun - thank you!

A special mention to Andy Mason of Springfield Striders who travelled up from Essex.

I hope you had fun, tell your club mates about what they missed!
